But they have stated their policy regarding the Palestinian Holy Places and Zionist colonisation in their message to him of the 4th January, That there are in Palestine shrines, Wakfs, and Holy Places, sacred in some cases to Moslems alone, to Jews alone, to Christians alone, and in others to two or all three, and inasmuch as these places are of interest to vast masses of people outside Palestine and Arabia, there must be a special regime to deal with these places approved of by the world. Everything from taking time off to travel, to transferring cash to your bank account when you need it. The new clothes are on his closet floor, and his hair is freshly cut. I suppose I shall have to read it. We have all read how persons in sleep, or the somnambulistic state, could lift or carry in the night a stone or other heavy object that they could not budge when awake in the day time. Now take this scene one step farther and picture yourself entering your favorite vacation paradise. As it is generally met with, I may as well quote from Hyamson's history p. That was delicious.
